It's coming...the solar eclipse!

Monday, August 21st

We are very excited about this once in a lifetime event! Our teachers will be presenting lessons about the solar eclipse to your child. On Monday, August 21st, we will all go onto our playground for the spectacular view. The FSSD has provided all students and staff with approved glasses to wear to protect our eyes. We are encouraging students to bring a towel to sit in the grass. You are welcome to join us, but you will need to arrive early to sign in and get a visitor's badge. All visitors on school property must sign in at the office. You will need to bring your own approved eyewear to participate.

If you decide to keep your child at home that day to experience it as a family, the absence will be excused. All students will bring home a letter that parents may return to **OPT OUT**. There is nothing to return if your child will view it outside. Please return it immediately if you **OPT OUT** for your child, so that we can make arrangements for them to remain inside.
