

# Moore's Message

November 2021

## Thanksgiving Lunch Wednesday, November 10

As a safety precaution, all FSSD schools will not be allowing visitors to join students for Thanksgiving lunch this year. We are sorry that visitors can't join us, but the students will still enjoy a nice lunch

consisting of turkey and dressing, chicken smackers, mac & cheese, sweet potato casserole, green beans, roll and a cookie.

## Loaves of Thanks, Wednesday, Nov. 17

It is time for PTO's annual Loaves of Thanks for our amazing teachers at Moore! Each year, PTO asks parents to provide mini-loaves of sweet or savory bread to our teachers and staff. If you can bake or buy mini-loaves of your favorite bread, please sign up below and let us know!

<https://www.signupgenius.com/go/20F094DA4A72DA5F49-loaves1>

Please include the type of bread and how many loaves you will be providing. We need loaves delivered to Moore on Tuesday, November 16th and Wednesday morning, November 17th. Loaves can be left on the cart in the carline or in the

front office at drop off or pick up!

We appreciate your help in thanking Moore's teachers and staff!

## Scholastic Book Fair November 15-19

The book fair is back again and will be held in the multipurpose room. Students will visit with their classes and have the opportunity to create wish lists and purchase books. The easiest way for your child to shop is to create an eWallet for them to use at the fair, no need to send cash or a check with them to school. For instructions, visit our book fair website <https://www.scholastic.com/bf/mooreelementaryschool1>.

Volunteers are also needed to help students find the perfect book and work the registers. You can sign up for a shift on our sign up genius:

Keep an eye out for your child's class date and time in your teacher's upcoming newsletters.

## THANK YOU!! Fill the Nest Campaign

Our 2021 Fill the Nest Campaign has raised \$49,384 for our school! We are so grateful for the generosity of our students' family and friends. Our Moore Miles corporate sponsors and silent auction donors also made a HUGE contribution to our total. We cannot wait to show you how your gift will make a difference at Moore.

### Notes from Nurse Sanders

It's that creepy crawly season... yep... lice season! Sorry parents but its true! Please remind your student about the importance of not sharing hats, coats, hairbands, etc.

A huge thank you to the Williamson County Health Department for administering our student and staff flu vaccines this year. We got 28 staff members and 66 students vaccinated in just a few hours!

Please review our District policies when it comes to illness. If your child has COVID symptoms or has been tested for COVID, PLEASE DON'T SEND THEM TO SCHOOL. Notify me so we can determine when they can return. Medicating them in the morning to mask symptoms makes them no less contagious.

If your child becomes ill while at school and we call for you to pick them up, it is extremely important that you pick them up in a timely manner. If you cannot get to school within 30 minutes, please make sure there is someone on your emergency list that can arrive within that time frame.

As always, if I can be of any assistance to you or your student, don't hesitate to contact me!

**Sherry Sanders, RN**

### **BE NICE WEEK** November 8-12

All FSSD schools will be competing this year in a week-long challenge to help support The NOOK (Needs Of Our Kids), a non-profit that serves urgent needs of families through referral by local schools.

Bring in your NICKELS the week of November 8-12 to help The NOOK raise money to provide new essentials (coats, shoes, socks, underwear, shirts, pants, basic hygiene items and feminine hygiene) for local children in need. The NOOK is partnering with schools in our community to eliminate barriers to education for kids in crisis so the child can focus as much energy as possible on achieving in the classroom. Other

money denominations and checks are also appreciated!
